ARRIVAL IN CORFU ISLAND

Transfer to base

For guests who wish to reach our base straight from the airport, the easiest way to do so is by Taxi. Normally, finding a taxi at the airport is easy but in case you are facing any difficulty, please feel free to call our personnel listed above to assist you. Ask the Taxi driver to take you to Gouvia Marina, and drop you off inside the marina at the meeting point where our staff will be expecting you (please refer to the above map for Sail The Ionian Sea base location). The airport is 7 km from Gouvia (Corfu) Marina where your yacht will be berthed, and you can estimate the cost of hiring the taxi (not pre-reserved) to be approx. €30, (max 4 persons - ideally 3, per taxi).

Airport Transfer

If you would like to order an Airport Transfer, feel free to let us know in advance in order to arrange a Taxi driver to wait you upon your arrival at the airport. Please have in mind that the transfer cost will be slightly higher as the drivers also calculate the ride towards the pick-up location as well as any potential delay and whether a night time tariff applies.
