Corona-virus term

In case the client is not able to reach the marina due to travel restrictions, we can offer the possibility to change the booking date according to our availability, at least 30 days before departure.

In case of a last-minute travel restriction, we are flexible to reschedule the booking for the next year.

If the new booking dates are within the same year, and the cost is the same or lower of the initial booking, then no price difference will be reimbursed.

If the booking is rescheduled for next year the price will be adjusted accordingly, based on the price of the booking for the specific season selected.

Any special offers are not transferable to the new booking.

The client is obliged to pay any difference.
